The Honorable Gregory M. Sleet  
United States District Court  
for the District of Delaware  
844 King Street  
Wilmington, DE 19801

**Re: *City of Tacoma v. WorldGate Communications, Inc.***  
***C.A. No. 05-62-GMS***

Dear Judge Sleet:

Please find enclosed a final form of Scheduling Order which includes the dates discussed at this morning's scheduling conference. Two dates apparently were not discussed, those for filing an interim status report (paragraph 7) and a status conference (paragraph 8). If the Court would like to receive an interim status report, the parties jointly propose to submit it on March 1, 2006, and have included that date in paragraph 7 of the enclosed form of order. The parties will await Your Honor's advice as to whether and when you wish to schedule a status conference.

Respectfully,

  
Joanne Ceballos
